- ❖ Comeaux Guard travels in wind suites over uniforms.
- ❖ Both guards will help each other set-up for their respective performances.
- ❖ Winter Guard is a very competitive sport; however, it is also a very friendly sport. Guards are very supportive of each other and that will be expected from the Comeaux Guards.
- ❖ Bring money with you for the concessions stand.
- ❖ All travel to and from the event with the guard on school bus. Any need to deviate from this requires a note in advance with approval from the directors.
